EE4091 Online Midterm Exam Instructions

- The exam is camera-based. Make sure you follow all university rules for online exams.
- The exam is open book and notes in hardcopy form only.
- Exam duration is 60 minutes.
- Students are not allowed to leave the exam until the end of the session. Leaving anytime earlier will result in exam cancellation.
- Regular calculators are allowed. Phones/laptops cannot be used as calculators.
- The grading is based on the details of the solutions not only the final answer.

The exam procedure is as follows.

- Connect to the Zoom session at the specified exam date and time (link available on UZEM).
- Exam proctors will check the camera setup for each student and the necessary documents (ID and declaration statement).
- Open UZEM website to the course page.
- At the specified time, the link for the exam document will appear on UZEM. Open the file to see the questions.
- You can work out the questions in any order you prefer. Include your name and signature on all solution papers.
- At the end of exam time, scan your solution papers into one pdf file.
- Use your "Firstname_Lastname" as the pdf file name.
- Upload the pdf file to UZEM before the deadline. Files sent via email will not be accepted.
- You will be given (5) extra minutes for the scanning-uploading process. You have one chance for uploading. So, do not wait till the last minute.
